Who We Are:

Worried about viruses and Spyware? Or are you looking to setup the perfect office? Sometimes, even installing that All-In-One laser printer can be a hassle! That's where Bebi Tech steps in. We bring Quality and Simplicity on a One-to-One bases so we can become your *Tech Guy*. This means that you can get the solutions that works for you without the Tech Jargon (unless wanted!) and without the prices of the big guys.

A Few Things We Do:

Mac/PC Networking

Software Installation

Hardware Installation
